

Cause and Consequence

Name: _____

Use this chart to help you organize how and why things happen and the consequences of that event. The words suggested may be clues to use to describe the causes and effects of an event or issue.

Event or Issue:

CAUSES: <i>(since..., because..., due to..., as a result of..., on account of...)</i>	CONSEQUENCES: <i>(consequently..., thus..., it follows that..., resulting in/with..., hence..., so that...)</i>

As a result, I think that...
